2025 Ormond Heritage Budget

Tuesday, September 24, 2024, at 2:00 PM

2nd Floor Meeting Room

Did you miss the Finance and Insurance Committee meetings that discussed the development of the 2025 budget and have questions? Ever wonder why there is a distinction between common and limited common expenditures in the budget? Maybe you just like numbers or maybe you think a riveting conversation about numbers will help you fall asleep.

Now is your chance to have these questions answered.

Join us for an open conversation where we review and talk about the 2025 OHC budget, the major changes from 2024 to 2025, and why certain parts/methodology exists.
