Resident Education Workshop

Volusia County Emergency Management Hurricane & Tornado Preparation

Thursday, September 26, 2024, at 2:00 PM

2nd Floor Meeting Room

Ohhhh Nooooo!!!

Our area just went under a Hurricane/Tornado Watch. What does that mean? How should I prepare? Should I have done something to prepare before now?

Our Watch just changed to a Warning. What should I do now? What about my pet? Should I evacuate? If I do, what should I bring with me? How do I get back to the island after a storm?

If you have ever wondered about any of this, please join us for a Volusia County Emergency Management presentation on Hurricane and Tornado preparation.
